Raquel,

Wonderful speaking yesterday and glad we were able to re-connect.

As discussed, we would be available for you to rent out De Gustibus Cooking School by Miele for your private events should your clients prefer to be in Midtown.

Rental of the school for 4 hours= \$1650 (reduced from \$3,750 for up to 6 hours) + NYS Sales Tax = **\$1,796.64**Jairo- Director of Operations/Assistant with Set up and Service/Clean Up for 6 hours @ \$55 per hour = **\$330**
* **This includes opening the school, helping with set up, assisting with prep, plating, service and clean up.**
Malcom - BOH/ Clean Up / for 4 hours @ \$18 per hour = **\$72****Average cost for rental = \$2,198.64**

Let me know if these numbers work for you. I've also attached our current equipment list so you're aware of what we have in storage.

Take care,
Sal

Hey Sal

Unfortunately their team flies in that day from various locations so that does not work for the client. 😞. Regardless look forward to your email and I appreciate the relationship building and time spent!

Hi Raquel,

Lovely to hear from you and thank you for your interest. Micol and I are not only friends, but worked together as well.

We do rent out our space and happy to chat more about it. Is there a specific date you are looking for?

Take care,
Sal

Hi Emmy,

Many moons ago I worked with Micol Negrin of Rustico Cooking and I recall the relationship she

had with De Gustibus. I was wondering if you rent out your space, I am a chef instructor trying to find a location Midtown to host a small teambuilding event of 20.

Any feedback/pricing or recommendations would be appreciated.

Best,
Raquel.
